Fraternal Organization Agreement

Virginia Commonwealth University

Fall 2018

This Agreement is made and entered into by the Vice Provost for Student Affairs of Virginia Commonwealth University ("University") and the undersigned fraternal organization ("Fraternal Organization"). In addition to the Agreement, are appendixes outlining policies within the Office of Fraternity and Sorority Affairs.

1. Definitions and Purpose

For purposes of this Agreement, fraternal organizations are those organizations governed by the National Pan-Hellenic Council (NPHC), the Interfraternity Council (IFC), the College PanHellenic Council (CPC), or the Multicultural Greek Council (MGC), which are comprised of University students and offer educational, service and social opportunities to their members. Fraternal organizations enter into this Agreement only to seek certain benefits from the University. The purpose of this Agreement is to describe the entire relationship between the University and the Fraternal Organization, including the benefits the Fraternal Organization may receive from the University if the conditions set forth in this Agreement are met.

2. Representations

The Fraternal Organization represents to the University that it is either (a) a non-stock Virginia corporation in good standing with the Virginia State Corporation Commission or (b) an unincorporated association existing under the laws of the Commonwealth of Virginia in accordance with the terms of its constitution. The Fraternal Organization further represents that for the duration of this Agreement, and as a condition of this Agreement, all of its officers will remain full-time University students enrolled in a degree-granting program. The Fraternal Organization also represents that its activities and the activities of its members, whether or not sponsored or officially approved by the Fraternal Organization, do not and will not violate local, state or federal law or the University's Standards of Conduct.

3. Relationship between the Fraternal Organization and the University

The University is a public corporation and the Fraternal Organization is not part of that corporation, but rather exists and operates independently of the University. The Fraternal Organization and the University acknowledge and agree that the Fraternal Organization is not an agent; servant or employee of the University and neither has authority to act for the other or commit the other to any activity, transaction or agreement. The Fraternal Organization and its members will be held accountable by their respective governing council judicial board and/or the office of Student Conduct and Academic Integrity for matters that might violate council, office or University policy.

4. NPHC, IFC, CPC, and MGC Membership

The Fraternal Organization understands and agrees that, as a condition of this Agreement, it shall maintain active membership in the NPHC, IFC, CPC, or MGC, and further agrees to abide by the rules and regulations of its applicable governing council

5. Chapter Advisor

The chapter must have a chapter advisor within a 2-hour driving distance of Richmond, VA. This advisor must be recognized by the national organization as the chapter's advisor. The chapter must provide proof of the advisor's proximity and approval from the national organization to the University.

6. The Fraternal Organizations' Dealings with Third Parties

The Fraternal Organization shall not hold itself out as being a part of, controlled by, or acting on behalf of the University. The Fraternal Organization shall take affirmative steps in all of its recruitment, business, and other dealings with their parties (including, for example, prospective members and businesses) to properly explain its relationship with the University as described in this Agreement.

7. Use of University's Name and Symbols

The Fraternal Organization understands and agrees, as a condition of this Agreement, that it may not use any University marks, symbols, logos, mottos or other indicia of the University without the express prior written approval of the University through its Vice President and Chief Student Affairs Officer or their designee; provided that the University will permit use of its name as a part of the Fraternal Organization's name exclusively and only in the form of "The XYZ Fraternal Organization at Virginia Commonwealth University." The Fraternal Organization must obtain the express prior written consent of the University to use the University's name in any other form. "*Virginia Commonwealth University XYZ Fraternal Organization*" or any similar use of other University marks (e.g., "*Virginia Commonwealth University Fraternal Organization*") is not acceptable and can never be used in any form including as part of a top-level domain name.

8. Special Provisions & Documentation

Official registration of men's and women's fraternities and sororities will be conferred by the University Student Commons and Activities (USCA) as part of the process of registering all student organizations on the Monroe Park Campus. The Virginia Commonwealth University Special Provisions for Fraternities and Sororities is included in the Appendix.

9. Taxes

The Fraternal Organization shall not use the University's taxpayer identification number or the University's tax-exempt status in connection with any purchases or sales by the Fraternal Organization, any gifts to the Fraternal Organization, any interest or other income of the Fraternal Organization, or any other activity or purpose of the Fraternal Organization.

10. Liability, Insurance, Defense, and Notification

The Fraternal Organization understands and agrees that the University, the Commonwealth of Virginia, and its employees and agents will not be liable for injuries or harm caused to anyone in connection with or arising out of the Fraternal Organization's activities, nor will it be liable for any of the Fraternal Organizations' contracts, torts, or other acts or omissions, or those of the Fraternal Organization's directors, officers, members, advisors, staff, activity participants, or any other persons associated with the Fraternal Organization. The Fraternal Organization understands and agrees that neither it nor its directors, officers, members, advisors, staff, activity participants, or any other persons associated with the Fraternal Organization are protected by the University's or the Commonwealth of Virginia's insurance policies or self-

insurance plans, and that the University and the Commonwealth will not provide any legal defense for the Fraternal Organization or any such person in the event of any claim against any of them. To ensure that all persons associated with the Fraternal Organization fully understand these terms, the Fraternal Organization President is responsible and on their honor to issue this notification to all of the Fraternal Organization's current and prospective directors, officers, members, advisors, staff, activity participants, and any other persons associated with the Fraternal Organization or engaged in its activities:

NOTICE: You are either considering or currently participating in activities and/or affairs of a fraternal organization at the Virginia Commonwealth University. Although the fraternal organization has members who are University students, and may have University employees associated or engaged in its activities and affairs, the organization is not a part of or an agency of the University. The fraternal organization is a separate and independent organization which is responsible for and manages its own activities and affairs. The University does not direct, supervise or control the organization and is not responsible for the organization's contracts, acts or omissions. The fraternal organization directs all of its own activities and affairs, including but not limited to transportation, travel, tournaments, fundraisers, or any other events. These activities or affairs may, at times, involve a certain amount of risk, and the fraternal organization assumes all responsibility for any such risk. All persons associated with the fraternal organization should ascertain whether they have adequate insurance independently or through the fraternal organization to cover any such risk. Neither the University nor the Commonwealth of Virginia provides insurance coverage or legal defense for any claims resulting from the affairs or activities of a fraternal organization.

11. Enforcement

The Fraternal Organization acknowledges that the University may file a complaint alleging that the Chapter or its members violated the commitments made in the Fraternal Organization's Chapter Statement and/or the applicable NPHC/IFC/CPC/MGC Standards of Conduct with the NPHC/IFC/CPC/MGC for investigation and enforcement. The Fraternal Organization further acknowledges that the University may file a complaint for investigation and adjudication with an appropriate University hearing body or, in the case of a criminal matter, with local law enforcement.

12. University Benefits

Assuming the conditions set forth in this Agreement are met, the Fraternal Organization is eligible to use certain University facilities and access the services and resources in the Office of the Dean of Students/Fraternity & Sorority Life and the Student Activities Center, subject to the policies and procedures or terms and conditions that the University and/or Student Council sets for such facilities, services, and resources. The Fraternal Organization is also eligible access University server space subject to University guidelines and policies.

13. Term of Agreement

This Agreement becomes effective on the date it is executed by an authorized University official and must be renewed annually. The University and the Fraternal Organization each reserve the right to terminate this Agreement at will upon written notice. The University also may issue a warning or suspend this Agreement with or without conditions for good cause. Absent early termination

or suspension, this Agreement will automatically terminate in the spring of each year on the date of the University's Final Exercises.

VIABILITY POLICY

Philosophy

Virginia Commonwealth University values a strong fraternity and sorority community. The University also recognizes that the community must have sufficient numbers so as to provide membership opportunities for every student who has the desire and means to join.

Student Organization Registration at Virginia Commonwealth University is a privilege. Chapters are expected to meet expectations with respect to academic performance, membership development and education, risk management and legal liability, leadership and community engagement, community service and philanthropy, membership recruitment/intake and chapter management.

Additionally, the policy for Registered Organization of Student Organizations at Virginia Commonwealth University states that the majority of the membership of the organization will be currently enrolled students at VCU.

A minimum of five (5) currently enrolled VCU students are required to form and maintain a fraternal organization. This is to insure that registered fraternities and sororities possess the ability to meet performance expectations and for the continued health of the community.

Standard

All registered fraternities and sororities are required to list at least five (5) full-time, active, undergraduate members (initiates and new members) on the roster at all times.

Process

1. Membership Acceptance

- All Grade Release Forms must be submitted 24 hours after signatures are collected.
- All Hazing Forms (blue cards) must be submitted 48 hours after membership is accepted.

2. Rosters will be reviewed in January, May, and August to determine membership compliance.

3. Chapters that are projected to fall below five (5) full-time, active, undergraduate members (initiates/new members) for the upcoming semester must meet with their FSL advisor **no later than two months into the semester** to determine an action plan and submit an appeal.

Request for Membership Probationary Period

1. Chapters who project that they will fall below five (5) active members may work with their FSL advisor to outline an action plan, to be approved for the following semester.

2. Without an approved plan, if the chapter falls below the minimum five (5) members, then it will automatically lose university registration.

3. In creating a plan, possible courses of action include, but are not limited to:

- Limited programming
- Increased advisor involvement
- Recruitment and intake plan

Loss of Recognition

1. Chapters that fall below the five (5) member requirement will lose University Registration for three (3) semesters.

2. Chapters who would like to return after three (3) semesters, must reapply through the **Fraternity and Sorority Life Expansion Process**.

Moratoriums

In the event of a(n) (inter)national moratorium not at the fault of the local chapter, Fraternity and Sorority Life will meet with students and advisors to determine next steps.

Membership Education Process & Hazing Policy

Membership Education: All membership education processes must be approved by the Office of Fraternity and Sorority Life prior to the start of any intake or recruitment processes. A detailed timeline must be submitted, outlining:

1. Date of new member meetings
2. Time of new member meetings
3. Location of new member meetings
4. Brief description of desired outcomes for meetings
5. Initiation time, date, and location

FIPG Policy: No alcohol shall be present at any pledge/associate member/new member/novice program, activity or ritual of the chapter. This includes but is not limited to activities associated with “bid night,” “big brother – little brother” events or activities, / “big sister - little sister” events or activities, “family” events or activities and initiation.

Hazing Policy: Hazing is a crime in Virginia and is prohibited by University policy and the University Standards of Conduct. State and/or local law enforcement agencies investigate allegations of hazing under Virginia law. The Office of the Dean of Students, Office of Fraternity and Sorority Life, Office of Student Conduct and Academic Integrity, and Virginia Commonwealth University Police Department all may participate in investigating allegations of hazing under University policy. The Fraternal Organization president is responsible and on their honor to give the Hazing Statement Card supplied by the University to all incoming members, current members, as well as any other persons associated with the fraternal organization or engaged in its activities.

FIPG Definition - Hazing: No chapter, colony, student or alumnus shall conduct nor condone hazing activities. Permission or approval by a person being hazed is not a defense. Hazing activities are defined as:

"Any action taken or situation created, intentionally, whether on or off fraternity premises, to produce mental or physical discomfort, embarrassment, harassment, or ridicule. Such activities may include but are not limited to the following: use of alcohol, paddling in any form, creation of excessive fatigue, physical and psychological shocks, quests, treasure hunts, scavenger hunts, road trips or any other such activities carried on outside or inside of the confines of the chapter house; wearing of public apparel which is conspicuous and not normally in good taste, engaging in public stunts and buffoonery, morally degrading or humiliating games and activities, and any other activities which are not consistent with academic achievement, fraternal law, ritual or policy or the regulations and policies of the educational institution or applicable state law."

Fraternity and Sorority Life
Virginia Commonwealth University
Fraternity & Sorority Chapter Academic Policy
Revised July 12, 2017

Academic success is a standard of Virginia Commonwealth University and is an essential element of a fraternity or sorority's contribution to and support of the University's mission. Academic excellence is emphasized by all fraternity and sorority chapters. Fraternity and sorority members should consistently achieve higher academically than non-members. The fraternity and sorority experience is designed to provide a community which supports the development and promotion of high academic achievement in a values based setting.

Fraternity and Sorority Academic Policy:

Every fraternity or sorority at VCU will meet or exceed a required 2.5 semester grade point average every semester for both the total chapter performance and the separate new member class performance.

The VCU Fraternity and Sorority Academic Report is produced by the Office of Fraternity and Sorority Life after both the fall and spring semester, and this report will be made available to all chapters and advisors. It will be the responsibility of the chapter to edit the roster appropriately and submit it each semester by the required date. Chapters who do not submit their roster will be listed as having a "0" (zero) GPA and will automatically be put on probation until the roster is turned in.

The Academic Policy will be implemented in addition to the guidelines established by each inter/national organization which specifies minimum grade point average requirement for membership, initiation, holding office, and good standing of a chapter.

Academic Excellence Recognition:

The Office of Fraternity and Sorority Life will provide awards and recognition to chapters on an annual basis at the VCU Fraternity and Sorority Life awards ceremony. The awards are designed to recognize chapters that excel academically and embody the academic mission of the university.

The following are a list of annual awards and recognition designed to highlight outstanding academic achievement from fraternity and sorority members as well as their respective organizations.

- Fraternity & Sorority Award recognition will be given in the following areas:
 - Highest Chapter GPA (1 Sorority, 1 Fraternity)
 - Most Improved GPA (1 Sorority, 1 Fraternity)
 - Highest New Member Class GPA (1 Sorority, 1 Fraternity)

Academic Performance Discipline

Failure to meet the required minimum 2.5 grade point average for the semester by a chapter or a new member class will result in the chapter being placed on some level of Academic Warning/Probation/Suspension.

Academic Warning

Failure to meet the required minimum 2.5 grade point average for the semester by a chapter or a new member class for the first semester will result in the chapter being placed on *Academic Warning*. The chapter will be notified in writing of the failure to meet the expectations of the Fraternity and Sorority Academic Policy and the placement of the chapter on Academic Warning, which will include the following:

- The chapter will complete a comprehensive review of their Scholarship Plan by September 1/February 1, depending on the appropriate semester.
 - The revised Scholarship Plan must include two study skills/enhancement programs per semester, led by someone outside of the chapter.
 - The revised Scholarship Plan must be signed by the chapter president, scholarship officer, and chapter advisor.
- The chapter president and scholarship chair will meet with their Fraternity and Sorority Life advisor to review the Scholarship Plan.
- The Office will inform the inter/national organization as to the Academic Warning status.
- The chapter will only be allowed to host two (2) social events, one of which may include alcohol, and a maximum of three (3) chapter events per week, to include chapter meetings, programs, community service, or required attendance at any other events.
- The chapter president and the scholarship chair must meet once a month to discuss successes and challenges of the new academic plan and inform the Office of any updates.

Failure to comply with any of the above conditions will result in the chapter being referred to the governing council Judicial Board for failure to comply.

Academic Probation

Failure to meet the required minimum 2.5 grade point average for the semester by a chapter or a new member class for the second consecutive semester will result in the chapter being placed on *Academic Probation*. The Office of Fraternity and Sorority Life will notify the chapter in writing of the failure to meet the expectations of the Fraternity and Sorority Academic Policy and the placement of the chapter on Academic Probation, which will include the following:

- The chapter will complete a comprehensive review of their submitted Scholarship Plan by September 1/February 1, depending on the appropriate semester.
 - The revised Scholarship Plan must include two study skills/enhancement programs per semester, led by someone outside of the chapter.
 - The revised Scholarship Plan must be signed by the chapter president, scholarship officer, and chapter advisor.

- The chapter president and scholarship chair will meet with their Fraternity and Sorority Life advisor to review the Scholarship Plan.
- The Office will inform the inter/national organization as to the Academic Probation status.
- The revised Scholarship Plan should provide an assessment of the two academic success workshops hosted the previous semester and a description of what two scholarship programs will be implemented during the upcoming semester. The revised Scholarship Plan must be signed by the chapter president, scholarship officer, and the advisor.
- Chapter leadership is encouraged to collaborate with the Campus Learning and Writing Center, their inter/national organization, graduate chapter and/or advisors and the governing council when revising the Scholarship Plan.
- As a result of Academic Probation, the chapter will be placed on social restriction. During the Academic Probation period the chapter may not host or participate in any social events or participate in any of the following: VCU Intramurals, Greek Week, step shows, stroll-offs, Homecoming Tailgate, or banquets. *If unclear of what constitutes a social event, chapter leadership must consult with the Office of Fraternity and Sorority Life.*
- The chapter will submit a chapter calendar of all meetings, events, and programs for approval by the Fraternity and Sorority Life Advisor.
- The President, Scholarship Chair, and Chapter Advisor must meet once a month to discuss the on-going efforts to bring the chapter and/or new member class GPA to the required 2.5 semester grade point average. Any updates must be relayed to the Office of Fraternity and Sorority Life.
- Chapters can present documentation that their chapter is above the 2.5 GPA at the semester mid-term with a request to be removed from Academic Probation. This request must include documentation, mid-semester grades, and any other accompanying materials. This may result in moving the chapter back to an Academic Warning status.

Failure to comply with any of the above conditions will result in the chapter being referred to the governing council Judicial Board for failure to comply.

Academic Suspension

Failure to meet the required minimum 2.5 grade point average for the semester by a chapter or a new member class for the third consecutive semester will result in the chapter being placed on *Academic Suspension*. The Office of Fraternity and Sorority Life will notify the chapter in writing of the failure to meet the expectations of the Fraternity and Sorority Academic Policy and the placement of the chapter on Academic Probation, which will include the following:

- All social, philanthropic, service, recruitment/intake, and educational programs and events are suspended until after a judicial hearing is held. Such events include, but are not limited to:
 - Intramurals, Greek Week, Fall Block and other step shows, stroll-offs, banquets, Homecoming Tailgate, recruitment/intake/rush

Failure to comply with any of the above conditions will result in the chapter being referred to the governing council Judicial Board for failure to comply, in addition to a hearing pertaining to the chapter's academic suspension status.

Accreditation Program

Each year, the Office of Fraternity and Sorority Life evaluates its fraternity and sorority chapters, to determine the impact that each chapter has on its members, council, the fraternity and sorority community as a whole, as well as the Virginia Commonwealth University (VCU) and Richmond community. In the past, this program was formalized into a process that was known as “Shared Standards.” To complete the Shared Standards program, chapters submitted information every spring outlining what their chapter had accomplished for the academic year, through a binder. Based on a review of the chapter’s binder, the chapter would be awarded a standing: gold, silver, or bronze. This year, we will begin a new “Chapter Accreditation” program. This program will be tailored to each chapter’s individual needs and will allow for conversation surrounding the chapter’s contributions, or failures over the past year.

The purpose of this program is to better understand if a chapter is an asset, or a hindrance to the Fraternity and Sorority, VCU, and greater Richmond community. A recommendation will be made as to the chapter’s standing, based on what the Accreditation Committee feels is appropriate. In addition to re-evaluating each chapter’s standing within the community, this process will allow chapter’s to be nominated for Fraternity and Sorority Life Awards.

Accreditation Committee

The Committee will be comprised of a group of twenty VCU faculty and staff members, brought together with a fraternity and sorority background. There will be 3-4 Committee members in each chapter presentation. In addition to taking notes and determining a chapter’s Accreditation standing, the Committees will be nominating chapters for Greek Awards, based on what is presented to them.

Submission Materials

There will be certain information that will need to be submitted ahead of time – such as chapter service hours, chapter philanthropy money raised, and chapter grade point average. This will be a minimal amount of information, compared to the entire presentation. Additional materials will be provided through the chapter’s respective Council and the Office of Fraternity and Sorority Life, including chapter GPA and any judicial incidents that the chapter may have had. The chapter may ask to see any information ahead of time that will be submitted on their behalf.

Additional documentation that should be included:

1. Headquarter Compliance
 - a. Letter from Headquarters of good financial standing
 - b. Letter from Headquarters of good standing
2. Chapter Service Events:
 - a. Name of Events
 - b. Members who participated
 - c. Hours of service given for each event
 - d. Letter from community partners who benefited from service
3. Chapter Philanthropy Events:
 - a. Name of Events
 - b. Members who participated
 - c. Amount of money raised
 - d. Letter from community partners who benefited from philanthropy

4. Chapter Programing :
 - a. Name of Events
 - b. Members who participated
 - c. Value of Event (educational, risk management, sister/brotherhood, etc.)
 - d. Were the events open to community members outside of FSL?
 - e. Were the events collaborative with another chapter, council, or student organization?
5. Leadership
 - a. Letter from Advisor with suggestion for chapter standing
 - b. Information about any leadership academy's attended (date, location, who attended, etc.)
 - c. Number of chapter members who hold leadership positions or are involved in other organizations on campus (name, organization, position held).

Ideas: Below are some ideas for some of the things that you can showcase throughout your Accreditation review. These are also good goals for you, in planning your chapter calendar. Please see "Submission Materials" for further information on how to correctly document these programs for Accreditation.

Programing Ideas:

- Hosting one program highlighting a controversial issue (one that has multiple points)
- Hosting educational programs
- Hosting philanthropic programs
- Hosting a Wellness or Safety Program
- Hosting a program on Academic Success for members
- Hosting a program on Career Development

Partnership & Collaboration Ideas:

- Programing with chapters outside of your council (NPHC, IFC, MGC, CPC)
- Partnering with a non-Greek organization to host an event
- Partnering with an Office on campus outside of FSL to host an event
- Partnering with an organization within the Richmond community

Leadership Ideas:

- Annual leadership training with headquarters
- Attending conferences, Lunch & Lead Series, etc.
- Executive Board Retreat
- Percentage of chapter members involved in something outside of membership in the chapter
- Having an active presence within your respective Council
- Holding leadership positions within your respective Council

Office Partnership Ideas:

- Chapter attendance at all FSL mandated programs
- Regularly scheduled meetings with FSL advisor
- Turning in all office documentation on time

Presentation

The chapter will be given times and dates to sign-up to present to the Accreditation Committee. The chapter representatives should include the current chapter president along with anyone else the chapter deems necessary. The chapter advisor may be present at the meeting, but may not speak during the presentation. The chapter leadership will have a maximum of 20 minutes to speak on the chapter's behalf, to help the Committee better understand why the chapter is an asset to the VCU community. The representatives will engage in dialogue with the Accreditation committee, who will be provided with any documentation that the chapter has submitted on its behalf. The Accreditation committee will have access to the materials submitted ahead of time, as well as materials submitted by the respective Council and Office of Fraternity and Sorority Affairs.

Presentation Prompts: It is highly recommended that the chapter representatives pick two of the following prompts to touch-upon during the Accreditation presentation (*Adopted from Drexel University, Fraternity & Sorority Life, Chapter Achievement Plan*):

1. *Improvement:* Discuss the current strengths and weakness of your chapter, areas in which you have improved over the past year, or challenges you have faced this year. Share specific examples of how you worked to address weaknesses or challenges.
2. *Innovation:* Describe any new ideas or programing your organization has implemented this year. How has this new initiative impacted your organization?
3. *Collaboration:* Describe the collaborative efforts your organization has made in the past year (ex. Other fraternities/sororities, councils, student organizations, university offices, chapters at other campuses, community partners, etc.). What worked? What would you do differently next year?
4. *Accountability/Bystander Intervention:* Discuss what your organization has done this year to ensure members are aware of, and held accountable to, their responsibilities as a member of your chapter. How have you worked to install the notion of "be your brother/sister's keeper" in your organization?
5. *Relevance:* Explain how your organization contributed to the University's strategic initiatives over the last year. The University strategic plan (Quest for Distinction) can be found at: <http://www.quest.vcu.edu/>.

Chapter Standings

Based on the presentation and materials, the committee will be recommending the following chapter standings:

1. *Excellent Standing:* Chapters who meet an excellent standing have gone above and beyond in giving back to the community. These chapters have had little to no issues throughout the year and their members are striving for fraternal excellence, as shown through their actions. These chapters have above the average chapter GPA and are committed to membership development. These chapters have at least 50% membership involvement in other leadership positions on campus and are in good financial standing with their council and headquarters.

2. *Good Standing:* Chapters who achieve a good standing are an asset to the community. They are accomplishing their goals as a chapter, as well as giving back to the campus. These chapters are improving yearly and have a positive presence on campus. They have some things to work on, but strive to provide their members with a positive fraternal experience.
3. *Fair Standing:* Chapters who achieve a fair standing are not contributing to the fraternity and sorority community, but are not specifically viewed as a hindrance. These chapters are meeting the bare minimum expectations within their councils and are providing little to no programming, community service, and/or membership development opportunities for chapter members. It is highly encouraged that chapters with this standing meet with the FSL staff to gain an understanding and the support needed to grow and excel as a chapter.
4. *Poor Standing:* Chapters who earn a poor standing are seen as a potential hindrance to the community. These chapters are not giving back – whether through programming, involvement within their council, or overall presence on campus. These chapters are not providing their members with membership development and might not be in good standing with their headquarters. Chapters meeting this standing will need to meet with the FSL staff to determine appropriate steps, moving forward. Some consequences of achieving a poor standing might include, but not limited to: social probation, limited number of programs hosted per semester, membership achievement program, etc.
5. *Suggestion of Removal:* Chapters who are suggested for removal are chapters who are potentially detrimental to the fraternity, sorority, and VCU community. These chapters have potentially broken University or headquarter policy on a number of instances and do not seem to understand the ramifications for their actions. These chapters are not providing a well-rounded, positive experience for their members and are not good representatives of the fraternity and sorority community. These chapters are not able to articulate the benefits of membership in their organization. Any chapter on this status will be referred to their respective council president, the Assistant Director of Fraternity and Sorority Life, as well as the Director of University Student Commons and Activities for further review on their status as a recognized fraternity or sorority chapter.

Award Nominations: In addition to recommending chapter standings, the Accreditation Board will recommend chapters to be considered for the following Fraternity and Sorority Life Awards, based on the Accreditation presentations that they review:

1. *Diversity & Global Engagement Award:* Awarded to a chapter who supports and/or implements programming centered on diversity awareness and global experiences in the VCU community.
2. *Academic Support Award:* Awarded to a chapter who implements programming that supports academic improvement and GPA maintenance for its members. Chapter GPA may be taken into account; however, substantial chapter improvement, strong academic plans, and other factors will also be considered.
3. *Outstanding Philanthropy Award:* Awarded to the chapter who displays creativity, programming strength, and connection to the philanthropic cause in planning and executing their chapter philanthropy event. Philanthropic donations rose (measured by dollars per member) will also be taken into account.

4. *Outstanding Community Service Award:* Given to the chapter with the highest amount of hours per member (average) for community service efforts during the 2014-2015 Academic Year. Information or feedback on community impact on behalf of the partnering community organization will also be taken into account.
5. *Greek Collaboration Award:* This award is designed to recognize chapters that have collaborated with one or more fraternities or sororities to accomplish a stated goal or program. Multiple awards could be presented to multiple chapters within the FSL Community, or the award may be given to one event that involves numerous chapters.
