Adobe Creative Cloud

Adobe Creative Cloud is available to VCU students at a **deeply discounted** rate. The license includes access to Adobe's collection of applications for digital imaging, design, audio, video, animation, web and more. To purchase a discounted license and learn more, visit **go.vcu.edu/adobe**.

Canvas

Canvas is the Learning Management System (LMS) used at VCU to deliver online dynamic, engaging learning experiences. Students can access their courses any time, anywhere. Learn how to login, access your courses, get started, request help and more at **go.vcu.edu/canvas**.

Top Hat

Top Hat is an active learning platform that allows instructors to conduct polls and create digital assessments. Students who are currently enrolled in at least one VCU credit-bearing course use their mobile device to participate, for **free**. For more information, visit **https://bit.ly/vcu-tophat-students**.

Zoom

Zoom is VCU's official desktop conferencing solution to support remote instruction and collaboration. Accounts are available to all currently enrolled students and currently employed faculty, staff or affiliates. To login or view how-to guides, visit **go.vcu.edu/zoom**.
